

MAJOR GLOBAL PAYMENT BRAND

Expand your marketplace to over 117 million of the world's best customers!

JCB is one of the largest and most trusted credit card companies in the world. World class service has been the hallmark of JCB since 1961. The JCB card issued in more than 24 countries/regions. More than 30 million merchants worldwide accept the JCB card.

Make a positive impact on your sales with JCB card acceptance

- You'll have access to an affluent card member base – high-income bracket, frequent travel for business and pleasure, impressive consumer spending power.
- JCB card purchases are almost twice that of domestic credit cards.
- JCB provides unique marketing channels to promote merchants, creating strong merchant awareness to cardholders.
- JCB rewards consumers who shop with JCB merchants.

JCB cards are now accepted on Discover® Network.

- JCB transactions are managed under the Discover Network.
- JCB card acceptance is treated the same as any other Discover Network transaction.
- JCB cards only display JCB acceptance marks and do not carry the Discover acceptance marks.

Welcoming the JCB card is the perfect way to enhance Asian travelers' customer experience with you.
